ThedaCare Physicians Pediatrics-Oshkosh

250 W 6th Ave., Oshkosh • (920) 702-6511

Andrew Collins, MD
Accepting new patients
The best part of my job is that I get to see life through the eyes of a child every day. This keeps me feeling young, energized and ready to face new challenges.

Brittany Vanden Heuvel, APNP
Accepting new patients
I take a comprehensive approach to pediatric care and encourage parents to be actively involved in the entire process.

Thomas Cox, MD
Accepting new patients
What inspires me every day is that through the work I do, the interactions I have, I'm really making an impact in the lives of the patients and families that I see.

Rebecca Waldman, MD
Accepting new patients
My goal is to guide patients and families through care options, support confident decision-making and deliver individualized, patient- and family-centered care.

A Healthy Foundation for Your Child

Caring for your little one's health is an important job. That's why we're here to support you and your child through every stage of development to ensure they thrive from birth to young adulthood. We are passionate about helping children grow through quality care in an environment that makes them feel safe and comfortable.

ThedaCare pediatric providers are trained in any physical or emotional health need that may arise during your child's life. We welcome new pediatric patients of all ages, and encourage expectant parents to choose a pediatric provider for their baby before they deliver. We look forward to serving you and your child through all the joys and challenges of life as they grow.

ThedaCare Physicians Pediatrics-Appleton

2701 E. Enterprise Ave., Appleton • (920) 954-2551

Wendy Barton, MD
My goal is to care for your family with compassion – guiding you to the right care plan for your own child's needs. I enjoy working with all ages from birth through age 21 years.

Ann Jones, MD
I consider your viewpoint when I make recommendations about your child's health. I think of it as the art of medicine — helping your family have a say in the plan.

Santi Budiasih, MD
Accepting new patients
I focus on providing compassionate, family-centered pediatric care with open communication and personalized treatment for the overall well-being of each child through every stage of development.

Jennifer Szmanda, DO
Accepting new patients
I love taking care of kids and enjoy the challenge of explaining things in ways kids can understand while making doctor's visits more fun and less scary.

Kevin Hayes, DO
I love teaching parents about their children's current conditions, what to expect, and what treatment options they have.

Luke Tremble, MD
I take a comprehensive approach to pediatric care and encourage parents to be actively involved in the entire process.

Christopher Weirtz, DO
Accepting new patients
I believe in working in partnership with parents and children to have better well-child visit experiences, ensuring everyone feels heard and has a voice in the care plan.

Andre Krainik, MD
Accepting new patients
Your children are precious to you, and they’re precious to me, too. Understanding your individual needs, expectations and concerns is as important to me as providing excellent medical care.

Sharon Rink, MD
Accepting new patients
The best thing about working in pediatrics is working with families. I love teaching families how to focus on healthy lifestyle habits. It is a privilege to watch kids grow and watch their life journey.

Abby Smolcich, MD
Accepting new patients
Being a pediatrician is hands down the best job in the world! I love seeing my patients grow. Each child is unique and deserves individualized care.

Lindsey Mickelson, APNP
Accepting new patients
Taking a holistic approach to pediatric care, I value each family’s unique strengths and beliefs, fostering meaningful connections and positive outcomes for every child.

Victoria Neuman, APNP
Accepting new patients
I’m here to provide comfort by easing the concerns of parents and soothing any butterflies your kids might be feeling.

Hannah Gracyalny, APNP
Accepting new patients
Creating a positive experience for children, I enjoy seeing patients grow and adapt through different phases of life. I take a holistic approach to care to help identify any underlying issues.

Chasity Henry, MD
For as long as I can remember, I wanted to be a pediatrician. Getting to know your family and having the opportunity to treat your children is the fulfillment of this lifelong dream.

Jennifer Reichardt, APNP
Accepting new patients
As a mother of three, I understand that each of your children is unique. I teach you and your kids how to be healthy at every stage of development, from infancy to adolescence.
